

PREMIUM MEDIUM DUTY CABLE TRAY COUPLERS

Fly through your next 1st Fix Install,
AGGRO FREE!

THREADBITE®

PZ2-Screws
250/BOX

1-WAY

INTERNAL CABLE TRAY COUPLER

Designed to be fixed from the
outside in, making it easy to screw
in the THREADBITE® PZ2-Screws

10x PAIRS/BOX

NUT-FREE DESIGN

TRAYBITE doesn't use nuts, so quite
simply there's no nuts to tighten and
no nuts to drop. If you can use a
cordless drill, you can install TRAYBITE

TIDY DESIGN

TRAYBITE Couplers look great and
deliver a very tidy install

COST SAVING DESIGN

TRAYBITE'S faster install time significantly reduces your labour
costs. Speed of install also provides greater flexibility with job allocation

COMMERCIAL DESIGN

TRAYBITE is designed to boost the productivity of engineers.
Increased productivity delivers increased profitability

2-WAY

EXTERNAL CABLE TRAY COUPLER

Perfect for tray with solid sides.
Allows bottom-fix option where the
installation limits access for side fixing

10x PAIRS/BOX
